

# Team Challenge

Our teambuilding youth program takes a fun approach in getting a diverse group of youth together to become an effective team. Using a variety of our tools we help the group process what is learned and transform them by:

- Strengthening relationships
- Building trust and commitment within the group
- Helping identify group goals
- Developing positive teamwork skills
- Learning to overcome group challenges
- Improving decision making and problem solving
- Discovering and developing leadership skills
- Making an action plan for group change

So if you are looking to develop your team or group in a fun way we can help! This is a 4 hour event
